Your Next Step to Success

Launch Your Career in
Financial Services with Our
Graduate Scheme.

Your Role at Reeves

You'll dive straight into the financial services industry with real responsibilities, including:

- **Working with Policy Information:**
Learn how to handle policy data from pension platforms, getting to know the core operations of the industry.
- **Managing Client Accounts:**
Engage with clients and submit advised business to meet their financial needs professionally and efficiently.
- **Communicating with Clients and Providers:**
Build your communication and organisation skills by preparing essential forms and coordinating between clients and providers.

This role will give you a comprehensive view of the industry, setting the stage for a thriving career.

Why Choose Reeves?

- **Real-World Experience**
You won't just be a spectator. You'll be fully involved in the day-to-day tasks of a financial services professional, giving you the skills and confidence to succeed.
- **Training and Development**
From day one, you'll receive mentorship from experienced professionals, along with access to valuable resources to boost your learning and development.
- **Industry Qualifications**
We'll support you in passing the following financial services exams:

R01: Financial Services, Regulation & Ethics

R02: Investment Principles & Risk

R03: Personal Taxation

R04: Pensions & Retirement Planning

R05: Financial Protection

R06: Financial Planning Practice.

With guidance and revision materials provided, you'll be set to become **Level 4 qualified** and prepared for future success.

Who We're Looking For

We're searching for graduates who are:

- Passionate about financial services.
- Strong communicators with excellent organisational skills.
- Detail-oriented and proactive in solving problems.
- Ready to learn and take on new challenges.
